Introduction:

The following user manual provides instructions on how to set a new password for your HapifyMe account. This manual will guide you through the process of accessing the password reset page, setting a new password, and logging in to your account with the new password.

Accessing the Password Reset Page:

Step 1: Open your preferred web browser.

Step 2: Enter the following URL in the address bar: https://survey.happifyme.co.in/activate-your-account

Step 3: On the page that appears, locate the "Email-Id" field.

Step 4: Enter your registered email address into the "Email-Id" field

Step 5: Click on the "Submit" button.

Setting a New Password:Once you have submitted your email address, you will receive a one-time URL via email. To set a new password, please follow these steps:

Step 1: Access your email inbox.

Step 2: Locate the email from HapifyMe containing the password reset URL.
